

# RALLY:

## End the U.S. Blockade of Cuba

Ralph Bunche Park, 1st Ave. between 42nd & 43rd, NYC  
**SAT., OCT. 20, 2:00 PM**

## Stop U.S. Aggression against Venezuela

Last year the UN General Assembly voted 191 member states to 2, to call on the U.S. to end its economic, commercial and financial blockade of Cuba. The United States and Israel were the only countries to vote against Cuba. Yet, despite world opinion, the blockade continues, now in its 56th year, costing the island more than many billions of dollars in economic damage, and imposing untold hardship on the Cuban people.

On Oct. 31, 2018, the UN will again vote on the resolution to lift the blockade of Cuba. Stand with us outside the UN on **SAT. OCT. 20, 2:00 PM**, in solidarity with Cuba. Let's show the peoples of the world that the U.S. policy does not represent the people of our country.

The U.S. has also imposed heavy sanctions on Venezuela's commercial and banking transactions, creating hardships for the Venezuelan people. Trump and other officials are openly inviting military action against President Maduro's government. These actions are in complete violation of international law. Whether Cuba, Venezuela, Nicaragua or Brazil, US interventionism in any form must cease. The U.S. must respect the independence and sovereignty of Cuba, Venezuela, all of Latin America and the Caribbean.
